

Turbo Charge Your Personal Vision

Does this sound familiar?

Do your personal vision and company goals seem elusive, like a distant memory? Do you feel like you are running as fast as you can but frustrated that you are not moving yourself or your business forward?

We can help:

When your competitors' strategy seems to be waiting for the economy to improve; get ahead with this session designed for business leaders and stakeholders who want to seize the opportunity to be re-energised and re-focused to inspire and drive their business forward.

You will discover insights to:

- A new awareness of your own **Personal Vision**
- How this can fuel your **Company Vision**
- How you are currently getting in your own way
- A powerful insight to your personality drivers and how this is impacting on you as a business leader
- Use this new awareness as a **'turbo charger'** to get you and your business moving forward positively

When:

This 3 hour session takes place with you and/or your executives at a time to suit you. It is perfect as a stand-alone workshop or a 1 hour inspirational mini session as a precursor to your next board meeting.

Your speaker:

This session is designed and delivered by Caroline Suggett, founder and Managing Director of ROM Consultancy Ltd www.rom-consultancy.co.uk. Caroline has over 20 years experience as a strategic business consultant working with Boards and one-to-one as an Executive Coach to support and develop leaders at the top of the organisation.

Let's talk:
